Flipside and Food Truck Night – Oct. 24th

There is nothing better than a beautiful fall evening sitting outside. We are planning a fun night on October 24th from 6pm–8pm. We will have the well known local band, Flipside, here along with Taco Bill's Food Truck, snacks and beverages. Please sign up at the office if you plan to attend. Once you sign up we will have a ticket for you at the food truck for one free item. You can purchase additional items on your own. Feel free to bring a lawn chair or blanket and enjoy the music. This will be our last outdoor event for the year so let's make it a big one. Please RSVP by October 19th. In the event of rain Flipside will play in the community building and the food truck will still be here.

Say What...National Pizza Month

Did you know that October is National Pizza Month? It all started in 1984 when Gerry Durnell published the debut issue of Pizza Today, a magazine devoted to the success of the pizza industry! We can't let this month go by without some pizza. We will have a pizza luncheon on October 18th from 12:00pm–1:00pm with a variety of pizzas. Please notify the rental office if you plan to join other residents for some pizza.

Online Rental Payments

Did you know you can pay your rent online via our tenant portal and submit non-emergency maintenance requests online as well? This saves you time and money not having to buy stamps or checks. If you sign up during the months of October or November your name will be entered into a drawing for a gift card. Stop by the rental office for more information or to sign up.

Four Fun Facts About Halloween!

1) Americans spend over \$2 billion on candy alone every Halloween. 2) The least favorite candies to give and receive on Halloween include circus peanuts and licorice. 3) Although many Halloween decorations and movies often depict the moon as full on this holiday, the occurrence is extremely rare. The most recent Halloween full moon was in 2001. Before that, it was 1955. The next will be in 2020. 4) In the 1920s, clowns were the most popular Halloween costumes. But, in the 21st century, kids and adults most like to dress up as characters from movies or celebrities.

There's No Place Like Home

Our community is our home and your home. Let's take care of it, and each other. Wave to your neighbor, do someone a favor, be courteous in the parking lot, don't leave your trash out. There are so many simple ways to bring a community together. We love that you live here and hope you look forward to coming home at the end of each day.
